Each application thus is directly binding after confirmation by Bike Projects and/or the organization of the Trailtrophy.

II. COMPETITION RULES

Course of Trail-Sessions:

The routes are unknown to the participants but the common data (length/profile) are available. Only for the Nightride session an on site inspection prior to the stage is maybe possible (this will be announced right at the venue). Timing points are not marked during on site inspection. Timing points are visually marked for each stage.

Organisation (exemplary for a Trail-Session & the single stages):

Participants start in small groups without timing. Ride to first timing point (based on starting order made by the Organisation). Stages are organised as a Time Trial with single start. No mass Start! „Trail Marshals“ organise appropriate gaps between each participants. End of timed track is visually marked. After each stage riders follow the marked track to the next stage.

Start (conditions and order):

The first sessions starting grid will be announced on Friday approximately 2h before to the start. For all remaining sessions the daily results will be used to define the actual starting grid. To reduce waiting times, the organisation will take right to define start blocks. The fastest rider according to intermediate results will start first followed by the rider ranked next.

Regulations:

Participants of the TrailTrophy are allowed to start with 26-/27,5, 27,5 Plus and 29 inch-Mountainbikes. Fatbikes are accepted, too. Participants have to ride the same bike for all stages, no changes of the front and rear suspension is allowed. So called E-Bikes and Pedelecs or any support by electric power is not allowed. Frame and fork are marked with a (removable) sticker before the start. This is controlled during the competition by our marshals.

It is allowed to change to following parts:

– Wheels, wheelsets and tubes, Seatposts and other components like steams etc. Participants who offend against these rules will get a time penalty of 2 minutes; repeated offences will cause a complete disqualification.

Classification:

The participants are classified in the following categories: Rider Class (Men/Women/Team) and Master Class/Super Masters (Men only). Participants of the sponsors or official Team Riders are classified in their own category (Ambassador Class). The classification is a result of the totalized times of all stages.
